- PCSO Report - crime update, Cuppa with a Copper - **Clerk asked the PCSOs for report plus Clerk sent info to Carol Brown about how to get in touch with Police**
- MUGA – **Carol Brown to ask the school for an article**

b) To agree the Community Survey 2025 questions.

I suggest to include the following:

1. Would you like the parish to implement 20mph Zone?
2. Where would you see EV charging points to be installed (give a few options).
3. What improvements would you like the Parish Council to focus on in 2025 with the funds from CIL :
    - Providing game facility for youth at the Recreation Ground (basketball hoop etc)
    - Further development of the Sports Field orchard (we have a draft for a wooden trail with sitting areas)
